

# ISKCON DEVOTEES PROTECT MOTHER EARTH IT IS OUR DUTY!

*Devotees of the Lord are conscious  
Devotees of the Lord revere Mother Earth  
Devotees of the Lord must be the best role models  
in every society*

All ISKCON centres must do their very best to stop using one-time use plastic products such as plates, spoons, cups and straws.  
Be part of the solution , not part of the problem.

**FIRST YOU BECOME CONSCIOUS! THEN  
YOU BECOME KRISHNA CONSCIOUS**
